

**Reserve History for Proved Fields**  
**Gulf of Mexico Outer Continental Shelf**  
(Estimates as of December 31 each year for proved fields discovered prior to 2004.)

| Field name | Year | Field disc year | Proved reserves |             |            | Historical cumulative production |            |            | Remaining proved reserves |             |            |
|------------|------|-----------------|-----------------|-------------|------------|----------------------------------|------------|------------|---------------------------|-------------|------------|
