Part 381 Origination of
Records and Information

Administrative Series 380.2.1
Chapter 2 Forms Management

1. Purpose. To establish policies and responsibilities for conducting the Minerals Management Service (MMS) Forms Management Program and to ensure forms are used effectively.

2. Authority.
 - A. 41 CFR Parts 101-11;

 - B. Departmental Manual (380 DM 7 Forms Management).

3. Policy. The policy of MMS is to ensure the efficient, effective, and economical procedures for the creation and use of all MMS forms. The Forms Officer must certify a new, revised, or canceled form and assign an MMS form number. This includes electronic forms created with the standard MMS electronic forms software package. Public use forms require departmental clearance and Office of Management and Budget (OMB) approval.

4. Responsibilities.
 - A. All Associate Directors, Chief, Office of Communications, Regional Directors, and the Administrative Service Center Managers are responsible for designating a Forms Liaison Officer (FLO) to coordinate forms management within their organization and for reporting the name of the official to the Forms Officer.

 - B. The Associate Director for Administration and Budget is responsible for the Forms Management Program.

 - C. The MMS Forms Officer will:
 - (1) Review and approve proposed, revised, or canceled MMS forms.

 - (2) Review and analyze forms with the criteria established in the Departmental Manual.

 - (3) Establish and maintain an inventory of all forms used by the MMS.

 - (4) Establish and maintain an official case file for each approved form.
