Status Summary Of Minerals Management Service Planning Area Conversion From NAD 27 To NAD 83/WGS 84 As Of April 6, 2004

| Region | Planning Area | Datum | Status |
|----------------|--------------------|---------------|---|
| Atlantic | Mid Atlantic | NAD 83/WGS 84 | Official boundary and areal |
| | (MDA) | | measurement data computed and |
| | | | published for the entire planning area, |
| | | | except the Continental Shelf Boundary. |
| | North Atlantic | NAD 83/WGS 84 | Official boundary and areal |
| | (NOA) | | measurement data computed and |
| | | | published for the entire planning area, |
| | | | except the Continental Shelf Boundary. |
| | South Atlantic | NAD 83/WGS 84 | Official boundary and areal |
| | (SOA) | | measurement data computed and |
| | | | published for the entire planning area, |
| | | | except the Continental Shelf Boundary. |
| | Straits of Florida | NAD 83/WGS 84 | Official boundary and areal |
| | (FLS) | | measurement data computed and |
| | | | published for the entire planning area, |
| | | | except the Continental Shelf Boundary. |
| | | | |
| Gulf of Mexico | Central Gulf of | NAD 27 | Official boundary and areal |
| | Mexico (CGM) | | measurement data computed and |
| | , , , , | | published for the entire planning area, |
| | | | except the Continental Shelf Boundary. |
| | | | Not planned for conversion to NAD 83 |
| | | | at this time. |
| | Eastern Gulf of | NAD 27 | Official boundary and areal |
| | Mexico (EGM) | | measurement data computed and |
| | | | published for the entire planning area |
| | | | north of 27°N latitude. Official |
| | | | boundary and areal measurement data |
| | | | south of 27°N latitude, except the |
| | | | Continental Shelf Boundary, pending |
| | | | approval of the State of Florida. Not |
| | | | planned for conversion to NAD 83 at |
| | | | this time. |
| | Western Gulf of | NAD 27 | Official boundary and areal |
| | Mexico (WGM) | | measurement data computed and |
| | | | published for the entire planning area, |
| | | | except the Continental Shelf Boundary. |
| | | | Not planned for conversion to NAD 83 |
| | | | at this time. |
| | | | |
| Pacific | Central California | NAD 83/WGS 84 | Official boundary and areal |
| | (CEC) | | measurement data computed and |
| | | | published for the entire planning area, |
| | | | except the Continental Shelf Boundary. |

| Region | Planning Area | Datum | Status |
|---------|------------------|---------------|--|
| Pacific | Northern | NAD 83/WGS 84 | Official boundary and areal |
| | California (NOC) | | measurement data computed and |
| | | | published for the entire planning area, |
| | | | except the Continental Shelf Boundary. |
| | Southern | NAD 83/WGS 84 | Official boundary and areal |
| | California (SOC) | | measurement data computed and |
| | | | published for the entire planning area, |
| | | | except the Continental Shelf Boundary. |
| | Washington- | NAD 83/WGS 84 | Official boundary and areal |
| | Oregon (WAO) | | measurement data computed and |
| | | | published for the entire planning area, |
| | | | except the Continental Shelf Boundary. |
| | | | , |
| Alaska | Aleutian Arc | NAD 83/WGS 84 | Only "all-wet" (i.e., no boundaries) |
| | (ALA) | | Official Protraction Diagrams published. |
| | Aleutian Basin | NAD 83/WGS 84 | Only "all-wet" (i.e., no boundaries) |
| | (ALB) | | Official Protraction Diagrams published. |
| | Beaufort Sea | NAD 83/WGS 84 | Official boundary and areal |
| | (BFT) | | measurement data computed and |
| | | | published for the entire planning area, |
| | | | except the Continental Shelf Boundary. |
| | Bowers Basin | NAD 83/WGS 84 | Only "all-wet" (i.e., no boundaries) |
| | (BOW) | | Official Protraction Diagrams published. |
| | Chukchi Sea | NAD 83/WGS 84 | Official boundary and areal |
| | (CHU) | | measurement data computed and |
| | | | published for the entire planning area, |
| | | | except the Continental Shelf Boundary. |
| | Cook Inlet (COK) | NAD 83/WGS 84 | Official boundary and areal |
| | | | measurement data computed and |
| | | | published for the entire planning area. |
| | Gulf of Alaska | NAD 83/WGS 84 | Official boundary and areal |
| | (GOA) | | measurement data computed and |
| | | | published for the "Yakutat sub-area;" |
| | | | "all-wet" (i.e., no boundaries) Official |
| | | | Protraction Diagrams published; |
| | | | computations for the remainder of the |
| | | | planning area, except the Continental |
| | | | Shelf Boundary, in progress. |
| | Hope Basin (HOP) | NAD 83/WGS 84 | Computations in progress. |
| | Kodiak (KOD) | NAD 83/WGS 84 | Computations in progress. |
| | Navarin Basin | NAD 83/WGS 84 | Only "all-wet" (i.e., no boundaries) |
| | (NAV) | | Official Protraction Diagrams published. |
| | North Aleutian | NAD 83/WGS 84 | Computations in progress. |
| | Basin (NAL) | | |
| | Norton Basin | NAD 83/WGS 84 | Computations in progress. |
| | (NOR) | | r r .g- |
| | Shumagin (SHU) | NAD 83/WGS 84 | Only "all-wet" (i.e., no boundaries) |
| | (3.2.3) | | Official Protraction Diagrams published. |

| Region | Planning Area | Datum | Status |
|--------------|--------------------|---------------|--|
| Alaska | St. George Basin | NAD 83/WGS 84 | Computations in progress. |
| | (GEO) | | |
| | St. Matthew-Hall | NAD 83/WGS 84 | Only "all-wet" (i.e., no boundaries) |
| | (MAT) | | Official Protraction Diagrams published. |
| | | | |
| Undesignated | Puerto Rico/Virgin | NAD 83/WGS 84 | Computations in progress. |
| | Islands | | |
| | Hawaii | WGS 84 | Not planned for conversion to WGS 84 |
| | | | at this time. |
| | Western Pacific | WGS 84 | Not planned for conversion to WGS 84 |
| | | | at this time. |
