

APPENDICES

Appendix A – Environmental Impact Analysis (EIA)

Appendix B – Seismic Lines and Structural Cross Sections through Proposed Development Wells

Appendix C – Geochemical Reports - PROPRIETARY

Appendix D – Overview of Safety and Environmental Management System (SEMS)

Appendix E – NPDES Permit Applications

Appendix F – Air Emissions Modeling Report

Appendix G – Worst Case Discharge (WCD) Modeling Report - PROPRIETARY

Appendix H – Well Control Contingency Plan (WCCP) Outline

Appendix I – Forms BOEM-0137
