Electronic Mailing List

The Bureau of Ocean Energy Management now has an electronic mailing list. Those persons or companies on the electronic mailing list will be notified first when notices regarding lease sales are published in the *Federal Register* (e.g., Availability of the Proposed Notice of Sale, the Final Notice of Sale). To add a contact person or company's name, please use the link at the bottom of this page. Then, simply fill in the personal contact or company name, email address, and check the box next to the various notifications; the contact person may apply, edit, or remove the information from this list at any time using the same link.

****Please note that all future notifications will be sent via email to those who have applied for this service using the below link****
