

***Status Summary Of Minerals Management Service Planning Area
Conversion From NAD 27 To NAD 83/WGS 84
As Of April 6, 2004***

Region	Planning Area	Datum	Status
Atlantic	Mid Atlantic (MDA)	NAD 83/WGS 84	Official boundary and areal measurement data computed and published for the entire planning area, except the Continental Shelf Boundary.
	North Atlantic (NOA)	NAD 83/WGS 84	Official boundary and areal measurement data computed and published for the entire planning area, except the Continental Shelf Boundary.
	South Atlantic (SOA)	NAD 83/WGS 84	Official boundary and areal measurement data computed and published for the entire planning area, except the Continental Shelf Boundary.
	Straits of Florida (FLS)	NAD 83/WGS 84	Official boundary and areal measurement data computed and published for the entire planning area, except the Continental Shelf Boundary.
Gulf of Mexico	Central Gulf of Mexico (CGM)	NAD 27	Official boundary and areal measurement data computed and published for the entire planning area, except the Continental Shelf Boundary. Not planned for conversion to NAD 83 at this time.
	Eastern Gulf of Mexico (EGM)	NAD 27	Official boundary and areal measurement data computed and published for the entire planning area north of 27°N latitude. Official boundary and areal measurement data south of 27°N latitude, except the Continental Shelf Boundary, pending approval of the State of Florida. Not planned for conversion to NAD 83 at this time.
	Western Gulf of Mexico (WGM)	NAD 27	Official boundary and areal measurement data computed and published for the entire planning area, except the Continental Shelf Boundary. Not planned for conversion to NAD 83 at this time.
Pacific	Central California (CEC)	NAD 83/WGS 84	Official boundary and areal measurement data computed and published for the entire planning area, except the Continental Shelf Boundary.

Region	Planning Area	Datum	Status
Pacific	Northern California (NOC)	NAD 83/WGS 84	Official boundary and areal measurement data computed and published for the entire planning area, except the Continental Shelf Boundary.
	Southern California (SOC)	NAD 83/WGS 84	Official boundary and areal measurement data computed and published for the entire planning area, except the Continental Shelf Boundary.
	Washington-Oregon (WAO)	NAD 83/WGS 84	Official boundary and areal measurement data computed and published for the entire planning area, except the Continental Shelf Boundary.
Alaska	Aleutian Arc (ALA)	NAD 83/WGS 84	Only “all-wet” (i.e., no boundaries) Official Protraction Diagrams published.
	Aleutian Basin (ALB)	NAD 83/WGS 84	Only “all-wet” (i.e., no boundaries) Official Protraction Diagrams published.
	Beaufort Sea (BFT)	NAD 83/WGS 84	Official boundary and areal measurement data computed and published for the entire planning area, except the Continental Shelf Boundary.
	Bowers Basin (BOW)	NAD 83/WGS 84	Only “all-wet” (i.e., no boundaries) Official Protraction Diagrams published.
	Chukchi Sea (CHU)	NAD 83/WGS 84	Official boundary and areal measurement data computed and published for the entire planning area, except the Continental Shelf Boundary.
	Cook Inlet (COK)	NAD 83/WGS 84	Official boundary and areal measurement data computed and published for the entire planning area.
	Gulf of Alaska (GOA)	NAD 83/WGS 84	Official boundary and areal measurement data computed and published for the “Yakutat sub-area;” “all-wet” (i.e., no boundaries) Official Protraction Diagrams published; computations for the remainder of the planning area, except the Continental Shelf Boundary, in progress.
	Hope Basin (HOP)	NAD 83/WGS 84	Computations in progress.
	Kodiak (KOD)	NAD 83/WGS 84	Computations in progress.
	Navarin Basin (NAV)	NAD 83/WGS 84	Only “all-wet” (i.e., no boundaries) Official Protraction Diagrams published.
	North Aleutian Basin (NAL)	NAD 83/WGS 84	Computations in progress.
	Norton Basin (NOR)	NAD 83/WGS 84	Computations in progress.
	Shumagin (SHU)	NAD 83/WGS 84	Only “all-wet” (i.e., no boundaries) Official Protraction Diagrams published.

Region	Planning Area	Datum	Status
Alaska	St. George Basin (GEO)	NAD 83/WGS 84	Computations in progress.
	St. Matthew-Hall (MAT)	NAD 83/WGS 84	Only “all-wet” (i.e., no boundaries) Official Protraction Diagrams published.
Undesignated	Puerto Rico/Virgin Islands	NAD 83/WGS 84	Computations in progress.
	Hawaii	WGS 84	Not planned for conversion to WGS 84 at this time.
	Western Pacific	WGS 84	Not planned for conversion to WGS 84 at this time.
