Gulf of Mexico OCS Region

August 13, 1998

Addenda to Final Sale Notice Package OCS Oil and Gas Lease Sale 171 Western Gulf of Mexico August 26, 1998 New Orleans, Louisiana

1. Bidders submitting the 1/5th bonus payment by cashier's check, bank draft, or certified check with their bid(s), in accordance with paragraph 3(b) of the Final Notice of Sale, must make the check payable to the order of the U.S. Department of the Interior--Minerals Management Service. For identification purposes, the following information must appear on the check or draft: company name, GOM Company Number, and the area and block bid on (abbreviation acceptable).

2. There has been an acreage change to Block 989, Port Isabel Official Protraction Diagram (NG14-06). The correct block acreage is 2,419.00 acres. A revised OPD for Port Isabel will be issued later this year. Bidders submitting a bid on Port Isabel Block 989 must use this revised acreage.
