

Mid-Atlantic Regional Planning Body (MidA RPB) Webinar Questions

December 8, 2016 4:00 PM – 5:00 PM

Webinar Questions

Message	Participant Name
When do you anticipate that workshop to refine the ERA framework will be? Will the consultant's final work be presented during that meeting? Could there be a webinar series regarding the ERA work as well?	Ali Chase
Are there any differences between the final Plan and the version of the Plan that was sent to the NOC?	Ali Chase
Is there a calendar online that lists all the activities mentioned today?	Ali Chase
Also, would you please thank the RPB for all of their work and ask them to let stakeholders know what they need help with so we can help advance the Plan's important actions? Thank you!	Ali Chase
How is the RPB going to be tracking the implementation of the plan, so we can see when and how it's getting used? Is there going to be some sort of mechanism to report on successes?	Amy Trice
Does the certified plan include any changes to the plan that the RPB sent to the National Ocean Council for review?	Brent Greenfield
When in 2017 does the RPB expect to release a draft work plan for public review and comment?	Brent Greenfield
Can you direct me to the BOEM site for the new environmental grants funding that you identified that is due by Dec. 30, 2016?	Charles Caruso
What is happening on establishing a BOEM working group on the sand management actions? What stakeholders will be added to the working group?	Charles Caruso
Is there a possibility that the new administration will stop progress on the ocean plans?	Judith Weis
Sand mining is going to be a big issue in the Mid-Atlantic. The plan has some good actions in it, but are there ways the public can engage with the RPB on this issue specifically to flesh out the details and help tackle issues as they arise?	Katie Morgan

Will the entire presentation be available for viewing on the net? If so what will the URL?	Louis Kleinman
How can the New York Harbor Estuary Program be engaged with your activities on a regular basis (Unless they are in fact already are).	Louis Kleinman
Thank you for the presentation and your time.	Louis Kleinman
The RPB will not meet in person for 12 months? The last meeting was in July 2016.	Matt Gove
Can you elaborate on what the marine debris working group is and how stakeholders can be involved?	Matt Gove
Address for ideas suggestions? Mentioned one paragraph suggestion.	Paul Sieswerda
If no public meeting until summer or review of a work plan, how will stakeholders be made aware of opportunities for stakeholder engagement with working groups? It does not seem like the RPB is clear on that.	Sarah Whelan
