Re: Finding of No Effect for Gulf of Mexico Wind leases

Dear Doug Jones:

We acknowledge receipt of the Bureau of Ocean Energy Management's Finding of No Historic Properties Affected for the Issuance of Commercial and Research Leases within the Gulf of Mexico Wind Energy Areas. WE have reviewed the Finding and have no concerns for the issuance of commercial and research leases in the proposed Gulf of Mexico energy areas. We look forward to consulting with the Bureau as these projects progress.

If you have any questions, please contact Chip McGimsey at cmcgimsey@crt.la.gov or 225-219-4598.

Sincerely,
