

Technical Correction / Note to Readers

The Maryland Offshore Wind Draft Environmental Impact Statement (EIS) is available for a 45-day public review and comment period that runs from October 6, 2023 to November 20, 2023 under Docket #BOEM-2023-0050. Information presented in Appendix A of the Draft EIS previously provided incorrect information regarding the comment period and docket number; the corrected version was posted to BOEM's webpage on October 25, 2023.
