Instructions for Accessing OCS AQS

Outer Continental Shelf Air Quality System (OCS AQS) is a web-based solution and requires login. As an authorized user, you will receive an invitation email from BOEM with login instructions for OCS AQS.

If you are an operator or authorized consultant but did not receive this email, please send an account request to ocs.aqs_support@weblakes.com.

Please read the instructions below carefully to ensure smooth access to your OCS AQS account.

1 Create Login.gov Account

*This step must be completed first and needs to be done just once.* In order to access OCS AQS, operators and their authorized consultants must first create an account on login.gov, which provides secure online access to OCS AQS based on the Department of the Interior’s security requirements.

To create your account, go to login.gov (https://login.gov/) and click on the *login.gov* button, as shown below in the figure, in the upper right corner (where it says “Sign in with:”).

![Login.gov Sign-in Page](image)

This will take you to the sign-in page, which is shown in the figure below.

Click on the **Create an account** button and follow the instructions. The setup process will take a few minutes. To see the complete step-by-step instructions in one place, you can go to: https://www.login.gov/help/creating-an-account/how-to-create-an-account/ (accessible from the Help menu at the bottom of the sign-in page).

When setting up your login.gov account, *it is imperative that you use the same email address* in which you received the OCS AQS invitation. If you would like use a different email address, please send your request to ocs.aqs_support@weblakes.com.
Log in to OCS AQS

Once you have successfully created your login.gov account, you can go to the OCS AQS website to log into your account:

https://ocsaqs.doi.gov

You should see a login screen similar to the figure below.

Click on the LOGIN.GOV button.

Welcome to OCS AQS!

BOEM - Bureau of Ocean Energy Management

This will take you to the login.gov screen as shown in the next figure. Enter your login.gov credentials and click the Sign in button to log into OCS AQS. Depending on the two-factor authentication option you selected when you created your login.gov account, you will be prompted with additional instructions.
For example, if you elected to use text messaging, login.gov will send you a code to the phone you specified with instruction on how to enter the code to complete the two-factor authentication process.

**PRDOCSAQS** is using login.gov to allow you to sign in to your account safely and securely.
