[Docket No. BOEM–2021–0018]

##### Research Lease Issuance for Marine Hydrokinetic Energy on the Pacific Outer Continental Shelf Offshore Oregon

**AGENCY:** Bureau of Ocean Energy Management, Interior.

**ACTION:** Notice of lease issuance.

**SUMMARY:** This notice informs the public of the Bureau of Ocean Energy Management's (BOEM's) issuance of an executed, noncompetitive lease, Renewable Energy Lease No. OCS–P 0560, to Oregon State University for marine hydrokinetic research activities offshore Oregon and defines the size of the lease area. This notice is issued under BOEM's regulations.

**FOR FURTHER INFORMATION CONTACT:** Dr. Whitney Hauer, BOEM Pacific Region, Office of Strategic Resources, 760 Paseo Camarillo (Suite 102), Camarillo, California 93010, (805) 384–6263 or [whitney.hauer@boem.gov](mailto:whitney.hauer@boem.gov).

**SUPPLEMENTARY INFORMATION:** On March 24, 2014, BOEM published in the **Federal Register** a public notice of an unsolicited request for an Outer Continental Shelf renewable energy research lease submitted by Oregon State University (OSU) for marine hydrokinetic (MHK) research activities. 79 FR 16050 (Mar. 24, 2014). The public notice included a request for competitive interest (RFCI) and a request for public comment.

After evaluating the comments received in response to the RFCI, on June 20, 2014, BOEM published in the **Federal Register** its determination that there was no competitive interest in the area requested by OSU. 79 FR 35377 (June 20, 2014). On February 16, 2021, BOEM issued a lease for MHK research activities to OSU for the PacWave South project, a proposed open ocean wave energy test center, to be located approximately 6 nautical miles offshore Newport, Oregon.

The total acreage of the lease area is approximately 4,270 acres. The lease area is comprised of 12 aliquots (*i.e.*, sub-blocks) within Official Protraction Diagram Newport Valley NL10–10 Blocks 6481 and 6531. The project easement is a 200-foot-wide corridor on which five cables will be located within Official Protraction Diagrams Newport Valley NL 10–10 Block 6531 and Salem NL 10–11 Blocks 6501 and 6551.

Lease issuance by BOEM is a prerequisite for a license from the

Federal Energy Regulatory Commission, which is the Federal agency that would approve project construction and operations. The lease and supporting documentation, including required environmental compliance documentation and the notices that solicited competitive interest, can be found online at: <https://www.boem.gov/renewable-energy/state-activities/pacwave-south-project>.

Authority: 43 U.S.C. 1337(p); 30 CFR 585.238(f) and 30 CFR 585.206(a).

Director, Bureau of Ocean Energy Management.

## DEPARTMENT OF JUSTICE

### Drug Enforcement Administration

#### Care Point Pharmacy, Inc.; Decision and Order

On November 20, 2019, the Assistant Administrator, Office of Diversion Control, Drug Enforcement Administration, issued an Order to Show Cause (hereinafter, OSC) to Care Point Pharmacy, Inc. (hereinafter, Registrant). Government's Request for Final Agency Action (hereinafter, RFAA) Exhibit (hereinafter, RFAAX) 1 (OSC). The OSC proposed to revoke Registrant's DEA Certificate of Registration Number BH9966904 (hereinafter, registration) and to deny any pending applications for renewal or modification of the registration, pursuant to 21 U.S.C. 824(a)(4) and 823(f), because Registrant's "continued registration is inconsistent with the public interest." *Id.* (citing 21 U.S.C. 824(a)(4) and 823(f)).

The OSC alleged that Registrant is licensed as a community pharmacy in the State of Florida. *Id.* at 2. It further alleged that Ekaette Isemin is Registrant's sole corporate officer, and that she is licensed as a pharmacist in Florida. *Id.*

The OSC alleged that "[o]n six occasions, [Registrant] dispensed controlled substances to a DEA confidential source pursuant to fraudulent prescriptions, despite clear evidence of diversion." *Id.* at 2. The OSC further alleged that "[Registrant's] dispensing of controlled substances in the face of clear evidence of diversion violated federal and state law." *Id.* at 5 (citing 21 CFR 1306.06, 1306.04(a); Fla. Stat. §§ 893.04(2)(a), 465.016(1)(i), 456.072(1)(m); Fla. Admin. Code. Ann. r. 64B16-27.831, 64B16-27.810).

The OSC notified Registrant of its right to request a hearing on the allegations or to submit a written statement while waiving its right to a hearing, the procedures for electing either option, and the consequence of failing to elect either option. *Id.* at 5-6 (citing 21 CFR 1301.43).

In response to the OSC, Ekaette Isemin filed a timely request for an administrative hearing on Registrant's behalf, and requested that all future notices and mailings be mailed to her. RFAAX 2 (Request for Hearing). On December 26, 2019, the Chief Administrative Law Judge (hereinafter, Chief ALJ) established a schedule for the filing of prehearing statements. RFAAX 3 (Order for Prehearing Statements). The Government filed a timely prehearing statement on January 6, 2020,<sup>1</sup> but Registrant failed to file any prehearing statement by the deadline. RFAAX 4 (Order Terminating Proceedings), at 1-2.

On January 21, 2020, the Chief ALJ issued an Order Directing Compliance and Postponing Prehearing Conference, which afforded Registrant until February 5, 2020, to file its prehearing statement and to show good cause for the delay. *Id.* at 2. The Order Directing Compliance and the Order for Prehearing Statements were sent to Ms. Isemin via first class mail, and neither document was returned as undeliverable. *Id.* Neither Registrant nor Ms. Isemin filed a showing of good cause for the delay or a prehearing statement by the deadline set forth in the Order Directing Compliance.<sup>2</sup> *Id.* Therefore, the Chief ALJ determined that Registrant had "effectively waived its right to a hearing," and he terminated the proceedings on February 6, 2020. *Id.*<sup>3</sup> I agree with the Chief ALJ that Registrant waived its right to a

<sup>1</sup> The Government notified Registrant in its prehearing statement that Registrant's DEA registration was subject to revocation on the additional ground that Registrant lacked authority to handle controlled substances in Florida, the state in which it is registered with the DEA. See 21 U.S.C. 824(a)(3). The Prehearing Statement was mailed to Ms. Isemin at the address that Ms. Isemin designated for future filings in her December 20, 2019 request for hearing. See RFAAX 2, at 2.

<sup>2</sup> The Order Terminating Proceedings noted that Registrant was not currently represented by counsel and "it appear[ed] that Ms. Isemin [was] appearing on the [Registrant's] behalf." RFAAX 4, at 1 (citing 21 CFR 1316.50).

<sup>3</sup> In the Order Terminating Proceedings, the Chief ALJ stated that "Agency precedent is clear that the unwillingness or inability of a party to comply with the directives of the [ALJ] may support an implied waiver of that party's right to a hearing." *Id.* (citing *Robert M Brodtkin, D.P.M.*, 77 FR 73,678, 73,679 (2012); *Kamir Garcés-Mejías, M.D.*, 72 FR 54,931, 54,932 (2007); *Andrew Desonia, M.D.*, 72 FR 54,293, 54,294 (2007); *Alan R. Schankman, M.D.*, 63 FR 45,260, 45,260 (1998)).

hearing by failing to comply with the Chief ALJ's order.<sup>4</sup>

On February 19, 2020, the Government forwarded an RFAA, along with the evidentiary record for this matter, to my office. Having considered the record in its entirety, I find that the record establishes, by substantial evidence, that Registrant committed acts rendering its continued registration inconsistent with the public interest. Additionally, I find that Registrant lacks authority to handle controlled substances in the State of Florida, the state where it is registered with DEA. Accordingly, I conclude that the appropriate sanction is for Registrant's DEA registration to be revoked.

### I. Findings of Fact

#### A. Registrant's DEA Registration

Registrant is registered with DEA as a retail pharmacy in Schedules II through V under DEA registration number BH9966904, at the registered address of 1400 Hand Avenue, Suite 0, Ormond Beach, Florida 32174. RFAAX 5 (DEA Certificate of Registration). This registration expires on August 31, 2021. *Id.*

#### B. The Status of Registrant's State Authority

Registrant was previously licensed as a community pharmacy in the State of Florida under license number PH22199. RFAAX 6 Appendix (hereinafter, App'x) B (Division of Corporations Printout), at 1. Registrant's sole corporate officer was Ekaette Isemin, *id.*, who was previously registered as a pharmacist in Florida under license number PS28851. App'x A, at 1.

On August 20, 2018, the Florida Department of Health (hereinafter, Florida DOH) ordered the emergency suspension of Ms. Isemin's pharmacy license, based on its determination that "Ms. Isemin's continued practice as a pharmacist constitutes an immediate, serious danger to the health, safety, and welfare of the public . . ." *Id.* at 18. The order concluded that Ms. Isemin repeatedly violated state law over the course of approximately sixteen months by dispensing controlled substances to a

<sup>4</sup> See 21 CFR 1301.43(d) ("If any person entitled to a hearing or to participate in a hearing pursuant to § 1301.32 or §§ 1301.34-1301.36 . . . files [a request for a hearing] and fails to appear at the hearing, such person shall be deemed to have waived the opportunity for a hearing or to participate in the hearing, unless such person shows good cause for such failure"); see also RFAAX 3, at 3-4 (notifying Registrant that "[f]ailure to timely file a prehearing statement that complies with the directions provided [therein] may result in a sanction, including (but not limited to) a waiver of hearing and an implied withdrawal of a request for hearing").
