# BIDDER'S FINANCIAL FORM

## Section I (General)

The following information is provided relative to bids submitted for OCS Lease Sale Number: ____

Name of Company Submitting Bid(s): ________________________________

BOEM Company Number: ____________ Tax Identification Number: ________________

Pay.Gov User: __________________________ (Name) (Area Code – Phone Number(s))

Email address: ________________________________

**New Renewable Energy Bidders**

Once ONRR receives all lease sale Bidder Financial Forms (BFFs), they will work with Pay.gov to establish your Pay.gov account. This process will take up to 48 hours. When Pay.gov has established your user account, you and ONRR will receive a message that this has been completed. ONRR will link your new account to the entity on whose behalf you are making a bid deposit and the current lease sale number. Once linked, you will receive a second message from Pay.gov. You may log in at this time to ensure site access.

**Existing Renewable Energy Bidders**

Once ONRR receives all lease sale Bidder Financial Forms (BFFs), they will add the current lease sale number, and if necessary, link your username to the entity on whose behalf you are making a bid deposit.

**New and Existing Bidders**

Upon completion of the above Pay.gov steps, ONRR will send Pay.gov payment instructions.

** Please factor in the additional time to establish and link user accounts in Pay.gov. We encourage you to promptly log into Pay.gov and make your bid deposit to ensure the deposit receipt by the Bid Deposit Deadline. **

Section VII (Bidding Credits)

____  Yes, I will meet the requirements for a 20 percent bidding credit for committing funds to programs or initiatives equal to 80 percent of the bidding credit value if I am the winning bidder for a lease. The programs or initiatives must support workforce training programs for the offshore wind industry, development of a U.S. domestic supply chain for the offshore wind energy industry, or both. Bidders will be required to submit a conceptual strategy regarding this commitment with their Bid Deposit. Additional information and guidance can be found at the document titled Bidding Credit – General Requirements and Restrictions which is an addendum to this form.

____  No, I do not wish to commit to funding workforce training or supply chain development in return for a 20 percent bidding credit.

Section VIII (Certification)

1. I,________________________, certify that the company identified in section I did not and will not engage in anticompetitive bidding behavior in violation of Federal law, BOEM’s regulations, or auction procedures.

2. I further certify that the company identified in section I’s participation in this auction process is a good faith effort to win a lease to engage in the development of renewable energy resources.

3. I, as an authorized representative of the company identified in section I, certify to the truth and accuracy of the statements and information provided in sections I through VI of this form.

4. I acknowledge that with regard to the computer system supporting the auction, unauthorized user attempts to (a) access, upload, change, delete or deface information on this system, (2) modify this system, (3) deny access to this system, or (4) otherwise misuse this system are strictly prohibited and may result in criminal and civil penalties.

Instructions to Bidders for
the
Bidder’s Financial Form

The instructions below detail how to complete the Bidder’s Financial Form. For ease of reference, each data item is entitled exactly as it appears on the form.

Section I (General)

- Enter the OCS Lease Sale Number – a new “Bidder’s Financial Form” will be required for each sale
- **Name of Company Submitting Bid** should be the same name as listed on the qualification package with BOEM
- **BOEM Company Number** – the qualification number issued by BOEM
- **Tax Identification Number** – your company’s TIN #
- **Pay.Gov User** is the individual who will be leaving a bid deposit on behalf of the company. This user will be registered with pay.gov to give them access to place a bid deposit in a renewable energy lease sale. This **Phone Number** and **E-mail Address** will be used to contact the individual when they are established in pay.gov and to give additional instructions on how to setup a pay.gov account. This is a private form on pay.gov and only individuals who have been properly set up and linked to a company can access this page and submit a bid deposit on behalf of a company. If you already have a pay.gov account active under the email address provided, BOEM will link that address to your pay.gov account shortly after receiving and processing this form.

Section II (Principal Point of Contact)

BOEM will send Bidder Authentication materials separately for security reasons. BOEM will send one package to the Principal Point of Contact, and the other will be sent directly to each authorized user at the email addresses provided in Section V. The auction system will require software tokens for two-factor authentication. To set up the tokens, authorized individuals will need to download an app onto their smartphone or tablet with a recent operating system. One of the emails sent to authorized individuals will contain instructions for installing the app and the credentials needed to activate the software token. A short telephone conversation with the auction contractor may also be needed to use the credentials. The login information, along with the tokens, will be tested during the mock auction, and during an optional connectivity test prior to the mock auction. If an eligible bidder fails to submit a bid deposit or does not participate in the auction, BOEM will de-activate that bidder’s tokens and login information.

If you need to verify this information, you may contact Gina Best at 703-787-1320. Packages to be sent will include: Bid Packages containing software bidding tokens, information on the auction system, and Lease Forms to be executed.

Section III (EFT Payments)

- **Primary Individual, Phone** and **Fax** number (including the area code) should be those of your EFT coordinator. The BOEM or ONRR will contact this person to resolve any EFT problems.
Only one EFT coordinator and one alternate should be designated for bids made by several companies as joint bidders.

*NOTE: EFT includes: ACH, Fedwire and Pay.Gov*

## Section IV (ACH Refunds)

Unless your bid deposit is applied to your winning bid, refunds will be transmitted using ACH according to the payment information provided in this section. BOEM will not return the bid deposit of a bidder who submits a winning bid but does not (or cannot) timely pay any balance due, establish financial assurance, and sign the lease copies.

- **Nine-digit American Bankers Association Routing Number** is the RTN number
- **Recipient Account Number at Receiving Financial Organization** is the DAN number

*NOTE: Be sure you provide ACH information and not Fedwire. If you are unclear on what this information is, you may verify this information with your bank. Refunds will not be issued through pay.gov.*

## Section V (Individuals Authorized to Bid)

- **Individuals 1-3** will be the only individuals authorized to participate in the auction. At least one and up to three individuals may be specified. Be sure to complete **Street Address, City, State, Zip Code, E-mail Address, Contact Phone Number(s), and Signature** for all specified individuals.
- The login credentials (userid, password, token ID) are assigned to these individuals and are not transferrable. The userid and password will be sent directly to the individuals, and the tokens will be sent separately to the principal point of contact for distribution.
- All authorized individuals will receive a link to the “Auction Manual”

## Section VI (Affiliated Entities)

“Affiliated entity” is defined in the Final Sale Notice for this lease sale as an entity that meets the definition of affiliate in 30 CFR 1206.20, as applicable, or they are both direct or indirect subsidiaries of the same parent company.

## Section VII (Bidding Credit)

Bidders must state whether they are committing to contribute funds to earn the bidding credit. Such contribution of funds must support workforce training, supply chain initiatives, or both to earn the bidding credit. A Bidder is eligible for a bidding credit worth 20 percent of its cash bid. To earn the bidding credit, bidders must commit 80 percent of the bidding credit amount to workforce training, supply chain development, or both as described in the final sale notice. Winning bidders will be obligated to honor their commitments per the lease’s bidding credit provisions.
Section VIII (Certification)

The person signing this form must be an authorized signatory with their name and title depicted exactly as reflected in the qualification documentation on file with BOEM. An original signed form must be mailed to BOEM’s Office of Renewable Energy Programs (OREP). A faxed copy will not be accepted.

The completed form is due by the date specified in the final sale notice for this sale.

Mail hard copy to:
