BOEM Gulf of Maine Task Force Meeting

December 12, 2019

Michele DesAutels
USCG
COAST GUARD ROLES AND RESPONSIBILITIES

- Mission: to ensure our Nation's maritime safety, security and stewardship.
- Recognized as a Subject Matter Expert (SME) for:
  - maritime safety, maritime security, maritime mobility,
  - national defense, and
  - protection of the marine environment.
- Member of BOEM’s State Renewable Energy Task Forces
- Collaborate on use of Navigation Safety Risk Assessments for evaluating specific projects
- Cooperating agency for NEPA purposes
Key Guidance: NVIC 01-19

- Published August 2019

- Guidance on information and factors the USCG will consider for any OREI (not just offshore wind)

- Recommendations which may include mitigations and identify potential impacts as a Cooperating agency for NEPA purposes to the Lead Agency (LA) (BOEM) on the following areas:
  - Safety of navigation for the entire maritime community
  - The Marine Transportation System (MTS)
  - Traditional uses of the waterway,
  - Other 11 Coast Guard missions (SAR, MEP, Security, etc.)

- Information to Industry, Port Safety and Security stakeholders and the general public concerning our Roles and Responsibilities

NAVIGATION SAFETY RISK ASSESSMENT (NSRA)

- BOEM requires completion by the developer
- Assessment of the risks to CG missions and mariners who operate in the proposed area.
- Provides information about who uses the waterway and provides waterway characteristics
- Leverages existing studies, standard industry practices, or guidelines from recognized sources (i.e. governmental agencies or classification societies)
- For the identified risks, offers and evaluates potential mitigation measures.
- Reviewed by Coast Guard (HQ, District and Sector - in all Divisions – Prevention, SAR, Environmental Protection)
- Recommendations and potential conditions provided to BOEM from mitigation measures
  - Emergency shutdown procedures.
  - Communications capabilities.
  - Mariner Information Sheets.
  - Monitoring capabilities.
  - Marking and lighting schemes
Coast Guard activities in GoM

- Primarily Sector Northern New England
  - Covers over 5,000 miles of coastline and 11,000 square nautical miles of water.
  - Includes coastal and river cargo ports, cruise destinations, and Lake Champlain.
- Units (8 Stations, 8 Vessels, 3 Aids to Navigation Units, 2 Marine Safety Detachments)
- Operational Missions
  - Search and Rescue
  - Federal ATON (over 1000 aids)
  - Ice Breaking
  - Living Marine Resource (enforcement)
  - Port Waterways Coastal Security
- Local Coordination
  - ME/NH Port Safety Forum
  - Area Maritime Security Committee
  - Government input (State, USACE)
