

2018 Gulf of Mexico

Offshore Sand Management Working Group

Introduction

New Orleans, Louisiana

November 29, 2018

Tershara Matthews, BOEM (tershara.matthews@boem.gov)

Purpose of SMWG

- **Receive update on BOEM Marine Minerals Program (MMP) and the Sand Management Working Group (SMWG) efforts**
- **Share information on gulf-wide sand inventory initiatives**
- **Discuss lessons learned from recent sand management efforts**
- **Identify opportunities for continued Gulf of Mexico (GOM) SMWG activities**
