1. **Purpose.** This regulation establishes the Bureau of Ocean Energy Management's (BOEM) policy dealing with formally established welfare and recreation organizations. The BOEM Employee Association (EA) is combined with the Bureau of Safety and Environmental Enforcement (BSEE) EA.

2. **Scope.** This policy applies to all BOEM EA activities.

3. **Authority.**

   A. 5 CFR 251.102, Agency Relationships with Organizations Representing Federal Employees and Other Organizations – Coverage.

   B. 5 CFR 251.202, Agency Support to Organizations Representing Federal Employees and Other Organizations.

   D. 5 CFR 2635, Subpart H, Standards of Ethical Conduct for Employees of the Executive Branch - Outside Activities.

   E. 5 CFR 2635.808(c), Fundraising Activities - Fundraising in a Personal Capacity.

   F. 43 CFR 20.504, Employees Responsibilities and Conduct - Selling or Soliciting.

4. **Definitions.**

   A. **BOEM/BSEE EA:** The EA is established by this policy and comprises the current organization of BOEM and BSEE employees for the purpose of promoting their social, welfare, and recreation interests.

   B. **BOEM/BSEE EA Designated Official:** The Director, BOEM, has authorized the BSEE Associate Director for Administration to serve as the EA Designated Official. The Designated Official oversees the EA and ensures compliance with BOEM policy.
C. Local BOEM/BSEE EA Chapters: All EA Chapters at various geographical locations will be comprised of BOEM and BSEE employees and will be approved by the Designated Official. Chapters must comply with the policy stated herein and will act in accordance with the Charter.

D. BOEM/BSEE EA Charter: The EA is governed by one Charter that defines the roles and responsibilities of the EA Chapter Executive Board (CEB) officers, membership, and financial obligations (see Appendix A).

E. Gifts-in-Kind: Charitable giving in which the goods and services themselves are provided as opposed to giving money or items equating to cash. Items equating to cash include universally recognized gift cards, e.g., MasterCard, Visa, etc., but do not include those for a specific store or restaurant.

F. Vendors: Vendors are sellers explicitly invited by the EA to sell items, products, and services, and include owners, sales persons, handlers, and attendants. Decisions concerning the selection of Vendors must be made objectively and without the appearance of bias or favoritism. EA members may not participate in the Vendor selection process when the application of a friend or family member is under consideration.

5. Policy.

A. Official Recognition: To be officially recognized, the EA must:

(1) Be a nonprofit organization whose membership will be open to all current BOEM/BSEE employees;

(2) Agree to abide by the current EA policy and Charter;

(3) Adhere to relevant laws and regulations pertaining to use of Government property, ethics, and conduct;

(4) Not discriminate in terms of membership or treatment of its members because of race, color, religion, sex, national origin, age, sexual orientation, disability, marital status, or familial status;

(5) Nominate and elect officers; and

(6) Adhere to restrictions imposed concerning the use of official time.

B. Procedures for Recognizing and Establishing Local EA Chapters:

(1) To be recognized as an EA Chapter, a local representative must first complete the Declaration Statement for EA Chapters and obtain the authorization of their local senior manager and Deputy Director. The completed Declaration Statement for EA Chapters must be sent for approval to the Designated Official at Mail Stop 5438 (see Appendix B). Upon approval by the Designated Official, a copy will be provided to the local representative.
(2) After the EA Chapter is officially recognized, a democratic election will be held to fill the required positions of the Chairperson, Treasurer, and Secretary, as well as any optional positions, e.g., Vice-Chairperson. The newly elected Chairperson must complete the Official Election Statement for the EA Chapter (see Appendix C), which provides the names of the elected officers. The Statement must be certified by the local senior manager and submitted for approval to the Designated Official at Mail Stop 5438. This Statement must be submitted each time a Chapter holds an election.

(3) The EA Chapter will be established when the Declaration Statement for EA Chapters and the Official Election Statement for EA Chapters are approved by the Designated Official and all provisions in this policy and Charter (Appendix A) are met.

(4) Any Chapter failing to comply with the policy and Charter will receive a written notice from the Designated Official that its certification may be terminated within 30 days of the date of such notice. During this time period, if the Chapter demonstrates compliance with this policy and the Charter, the Designated Official may rescind the termination notice. The Chapter Chairperson can also submit a written request for an extension of the time period to the Designated Official. Any terminated Chapter may request a written recertification by the Designated Official at any time. The request must document adherence to this policy and the EA Charter.

(5) Establishment of a Chapter does not imply BOEM/BSEE sponsorship, sanction, or endorsement of the organization or its activities.

C. Use of Agency Facilities, Services, and Resources: Formally recognized Chapter members may be authorized to use only the following facilities, services, and resources subject to availability, work priorities, local security policy, building accessibility regulations, and other bona fide management considerations:

(1) Use of building space by the EA and incidental storage of organization supplies in BOEM/BSEE facilities may be authorized. The Chapter members may use conference rooms or common areas for meetings, events, or in support of a fund raising activity with prior approval by the local BSEE Support Services, General Services, or the lead BSEE office responsible for the reservations of such rooms and space. EA and vendors are subject to leased building management rules and liability regulations for use of a building’s common area space.

(2) Use of BOEM/BSEE common area bulletin boards and other areas for display is authorized as consistent with building policy. EAs may use these areas to notify members about meetings and organization or group activities provided such display does not interfere with conducting official business. The EA must remove displays/advertisements immediately after all events. Use of easels for event displays in common areas must be approved by the local BSEE Support Services, General Services, or Facilities Manager.

(3) Use of office equipment must comply with the policy as stated in this Chapter, i.e., copy machines, computers, printers, and fax machines. The cost to the Government for the use of office equipment must be negligible. Use of e-mail also must not cause congestion, significant delay, or disruption of service to any Government system or equipment. Transmitting large pictures or large attachments is prohibited. E-mail notices announcing an upcoming event with a link to the Pipeline are permissible. A flyer may be posted on the Pipeline page with an

Date: 09-20 (Version No. 1)
expiration date. Employees are prohibited from using Government office equipment at any time for any fund-raising activity that is not for the direct benefit of the EA membership and are also prohibited from endorsing any product or service.

D. Labor Organizations: Bureau managers must not bypass a labor organization with exclusive recognition rights detailed in Chapter 71, Title 5, USC or comparable provisions of other laws, to meet with or negotiate with an association or employee organization on matters affecting conditions of employment of bargaining unit employees.

E. Ethics and Conduct Rules: Ethics and conduct rules particularly pertinent to EAs are summarized in this section.

(1) Employees engaged in the activities of the EA must comply with all applicable statutes and/or regulations pertaining to ethics and conduct (e.g., 5 CFR 2635, Subpart H, Outside Activities; 5 CFR 950.102, Scope of the Combined Federal Campaign; 43 CFR 20.504, Selling or Soliciting; 5 CFR 251.102, Agency Relationships with Organizations Representing Federal Employees and Other Organizations—Coverage; 5 CFR 251.202, Agency Support to Organizations Representing Federal Employees and Other Organizations) while participating in organization-related activities.

(2) Use of Official Time and Administrative Leave. EAs are not Government entities. Therefore, to attend or participate in organization-sponsored events while on official time or administrative leave, employees must receive supervisory authorization based upon a determination that the subject event or activity will contribute to improved agency operations, personnel management, and/or employee effectiveness.

(3) Fundraising.

(a) On Federal Property or on Official Time. Under 5 CFR 950.102(d), BOEM may establish policies and procedures applicable to solicitations conducted by employee organizations for organizational support and/or for the benefit of welfare funds for their members. Such solicitations are not covered by the rules governing solicitation of employees on Government Property for charitable donations as part of the Combined Federal Campaign (5 CFR 950.102). Accordingly, the EA may solicit money on behalf of its organization or its members on Government property under the following conditions:

(i) Solicitations are for organizational support or for the benefit of welfare funds for their members (5 CFR 950.102(d));

(ii) Members may not directly solicit from employees whom they know to be their subordinates or from a prohibited source;

(iii) All messages and notices must be in compliance with guidelines concerning the acceptable use of Government equipment and solicitations.

(b) Solicitation Conducted Off Federal Property and on Personal Time. The rules which apply to the conduct of fundraising by Federal personnel under these circumstances are those set forth in 5 CFR 2635.808(c), Fundraising in a Personal Capacity. Accordingly, Federal employees
must comply with these guidelines when conducting fundraising activities outside of the work setting.

F. Gifts-in-Kind Collections. The EA may collect gifts-in-kind such as food, clothing, and toys on Government property as charitable donations offered on behalf of the organization for the benefit of organizations or individuals in need or to assist the victims of specific emergencies or disasters as defined in 5 CFR 950.102(b).

G. Gambling. The EA may not engage in gambling activities (e.g., lotteries, pools, or games of chance) while on federally owned or leased property.

H. Political Activity. The EA may not engage in lobbying efforts or solicit contributions on behalf of candidates for political office.

I. Litigation. The EA may not engage in litigation-related activities in which the United States or BOEM/BSEE is a party or has a direct and substantial interest.

J. Use of Agency Name. A recognized EA may use BOEM/BSEE in its name provided it is made clear that the organization is not an official organization of BOEM/BSEE.

A. BOEM assumes no responsibility for dues and other funds or in-kind gifts collected by the EA.

B. EA may require members to pay dues as a condition of membership.

C. For each of the EA Chapters, a fiscal year audit must be completed in compliance with fiscal responsibility standards of annual audits of budget and expenses. The audit must be conducted internally by a BOEM/BSEE employee who is not a member of the EA. Each Chapter Chairperson is responsible for ensuring that an annual audit is conducted and a report is submitted to the Designated Official at Mail Stop 5438 by December 1.

1. Dissolution of BOEM/BSEE EA Chapter.

In the event that an established EA Chapter needs to be dissolved, all monetary or tangible assets, after fulfillment of financial obligations, shall be contributed to the undesignated fund of the Combined Federal Campaign and all nonmonetary assets must be distributed to a nonprofit organization, as agreed upon by a majority vote of the Chapter members.
