Instructions For Making EFT Bonus Payments

(June 2001)

If you submit bid(s) for an OCS Lease Sale, please read and comply with the following:

- (A) On the bidder address form with each bid submitted to the OCS Regional Office, you must provide the MMS the following information:
 - (1) The name and telephone number (including the area code) of your EFT coordinator. The MMS will contact that person to resolve any EFT problems. Only one EFT coordinator and one alternate should be designated for bid(s) made by several companies as joint bidders.
 - (2) Payment information for the refund of rejected high 1/5 bonus bid and interest.
 - (3) Your Tax Identification Number (TIN).

- (B) Third Party Error: You will not be held responsible for late payment due to mechanical or systems failure of the Fedwire Deposit System, Federal Reserve Communications System or the Automated Clearing House system.
 - (1) You must assure that your bank makes payment on time. You must immediately contact Mr. Joe Romero of the MMS Financial Management, Accounting Services at 303-231-3123 if the bank is unable to complete the EFT due to mechanical or any EFT systems failure.
 - (2) You are held responsible for accurate EFT payments. Your responsibility extends to any bank payment message coding error that prevents the payment from reaching the appropriate MMS account. You must immediately contact MMS Financial Management, Accounting Services at the above numbers if a bank coding error is expected to prevent timely payment to MMS.

1/5 Bonus Bid Payment

The OCS lease final notice of sale mandates the use of these procedures in making electronic payment of the 1/5 bonus bid payment. If you submit bid(s) for an OCS lease sale, please read and comply with the following:

Payment of the 1/5 bonus bid amount must be by electronic funds transfer (EFT), payable to the Minerals Management Service (MMS). You must use either the **Fedwire Deposit System** (same day payments) or the **Automated Clearing House** (overnight payments). The MMS considers every signed bid to be a legally binding obligation on the part of the bidder(s) to comply with all applicable regulations, including paying the 1/5 bonus deposit on all high bids. You must instruct your bank to EFT the 1/5 bonus payment to the appropriate United States Treasury account. Attachments 1 and 2 provide the specific account information.

If you are a current OCS lease holder or if you are now a designated operator for a federal OCS lease, AND if you have never defaulted on 1/5 bonus payments (via EFT or otherwise), you do NOT have to provide additional security for your EFT 1/5 bonus payment. Otherwise, see Attachment 3 for your options of methods to secure your EFT 1/5 bonus payment.

- (1) One EFT payment must be made for all leases for which you submitted the highest valid bid. The MMS will make available at the sale site and through the Internet a report denoting your EFT liability shortly after bid reading. It is your responsibility to obtain this report. If you are unable to obtain this report at the sale site or via the Internet, contact Ms. Vicki Zatarain at (504) 736-2779.
- (2) The EFT payment must be received in the appropriate United States Treasury account by the time stated in the final notice of sale, generally 2:00 p.m. Eastern Time the day following bid reading.
- (3) If the EFT payment is not received by the deadline, the MMS will charge you one day's interest on the amount owed using the same interest rate assessed for late royalty payments. This amount plus your EFT liability is due immediately.
- (4) If the EFT payment is deficient in amount (payment is less than the sum total of your 1/5 bonus bids for high bids), the bidder will correct the deficient payment immediately but no later than 2:00 p.m. Eastern Time of the day following bid opening.
- (5) Should you default on your 1/5 bonus payment by EFT, any or all of your bids (at the MMS's discretion) may be rejected. Additionally, you will be required to secure EFT 1/5 bonus deposits in future federal OCS lease sales. Where

applicable, the MMS will call on the instrument used to secure the 1/5 bonus payment in the case of default.

- (6) Where applicable, the MMS will release your financial instrument used to secure your EFT 1/5 bonus payment upon receipt of your EFT 1/5 high bid deposit. You may pick up your security deposit from the OCS Regional Adjudication Office or arrange to have the security deposit mailed to you.

4/5 Bonus & Rent Payment

Pursuant to 30 CFR 218.155(c), the MMS requires the use of EFT procedures in making payment of the 4/5 bonus and first year rental amounts. If you submitted a high bid and it is deemed to be acceptable by the MMS, please read and comply with the following:

Payment of the 4/5 bonus and first year rental must be by EFT, payable to the MMS. You must use either the **Fedwire Deposit System** (same day payments) or the **Automated Clearing House** (overnight payments). The Regional Director of the OCS Regional Office conducting the lease offering will advise you of bid acceptance. After notification, you must instruct your bank to EFT the 4/5 bonus and first year rental payment to the appropriate United States Treasury account. Attachments 1 and 2 provide the specific account information.

- (1) Your EFT payment must be received in the appropriate United States Treasury account no later than noon, Eastern Time, on the 11th business day after receipt of the lease forms by the successful bidder. Business day is a day on which the OCS Regional Office conducting the offering is open for business.
- (2) If your EFT payment is deficient in amount, that is a partial payment, you will have two days after MMS notification to correct the deficient payment. However, MMS will assess an interest charge on such deficient payments using the same interest rate assessed for late royalty payments.
- (3) Failure to pay by EFT within the time specified above will result in forfeiture of your 1/5 bonus amount and the authorized officer will not execute the lease.
- (4) One EFT payment can be made for several leases.

Methods for Securing EFT 1/5 Bonus Payments

If you do **not** have ownership or operating rights in a federal OCS mineral lease, **OR** if you have ever defaulted on a 1/5 bonus payment in a previous OCS sale, you **MUST** secure your EFT 1/5 bonus payment using one of the following methods:

- (1) *Third party guaranty.* If you use this option to secure EFT 1/5 bonus payments, the third party that guarantees your 1/5 EFT bonus payment must be an active federal OCS mineral lease holder OR currently operate an active federal OCS lease. The third party guarantor must expressly consent to guarantee your EFT 1/5 bonus payment. The MMS must receive the express written consent of guarantee of your EFT 1/5 bonus payment prior to bid submission. You may contact Mr. Carrol Williams at (504) 736-2803 for additional information.

Should you default on the 1/5 bonus payment by EFT, the MMS will call upon the third party to cover the delinquent payment.

- (2) *Amended Areawide Coverage.* If you use this option to secure EFT 1/5 bonus payments, you must amend your \$3 million areawide development bond by a Rider from the issuing surety to contain provisions that the bond may be used to cover pre-lease obligations. All other terms and conditions for the bond must remain unchanged. You must have the Rider notarized and approved by the MMS prior to submitting bids for the OCS sale.

If the \$3 million areawide development coverage is through a U.S. Treasury Note, the MMS must receive and approve a notarized letter from the bidder agreeing to the terms that the Treasury Note may be used to cover pre-lease obligations prior to bid submission. That provision must remain in effect until you make your EFT deposit. You may contact Mrs. Mary Holmes at (504) 736-2613 for further information.

Should you default on the 1/5 bonus payment by EFT, the MMS will call the bond/Treasury Note to cover the delinquent payment.

- (3) *A Letter of Credit (LOC).* If you use this option to secure EFT 1/5 bonus payments, you must use a clean, stand-by, irrevocable LOC. You must submit your LOC for at least 1/5 of the sum of all bids that you submit for a federal OCS lease sale, including joint bids to the MMS no later than one week prior to the OCS sale. For a sample of a LOC or for further information, contact Mr. Carrol Williams at (504) 736-2803.

The LOC must have a minimum coverage period of 120 days beginning with the date of the OCS sale. The LOC must be from a bank incorporated in the United States that has a minimum Thomson BankWatch rating of:

- “C” for a LOC less than \$1 million;
- “B/C” for a LOC between \$1 million to \$10 million; or
- “B” for a LOC over \$10 million.

You are responsible for verifying that the bank provides a current rating to the MMS. The issuing bank must submit this rating with each LOC. If the issuing bank's rating falls below the minimum acceptable level, you must submit a satisfactory replacement surety or the MMS may consider the bids to not be appropriately secured and therefore invalid.

If the institution issuing the LOC becomes insolvent, the MMS will require an immediate replacement surety unless the current LOC is transferred in whole, and completely honored by the receiving institution. If you do not provide a replacement surety, the MMS may consider the bids to not be appropriately secured and therefore invalid.

Once you make the appropriate EFT deposit, the MMS will promptly return the LOC to you. Alternatively, you may pick up your LOC from the Regional Adjudication Unit upon verification that your EFT deposit was complete and timely.

Should you default on your 1/5 bonus payment by EFT, the MMS will call the LOC to cover the delinquent payment.

- (4) *Advanced EFT Payment.* If you use this option to secure your EFT 1/5 bonus payment, you must make your Advanced EFT payment covering the sum of the 1/5 bonus for **all** your bids before you submit your bid(s). **Please note that only bidders requiring security for their EFT 1/5 bonus payments (those who do not hold an OCS oil and gas lease or are a designated operator of an OCS oil and gas lease) should consider making an Advanced EFT payment.** If you do NOT have to secure your EFT 1/5 bonus payment (i.e., if you own an OCS oil and gas lease or are a designated operator of an OCS oil and gas lease and have a history of accurate and timely 1/5 bonus payments) then you should wait until the bids are opened and read and the MMS determines your EFT liability (for your high bids) to make your EFT 1/5 bonus payment.

If you use this option to secure your EFT 1/5 bonus payment, you must use either the **Fedwire Deposit System** or the **Automated Clearing House** (see Attachments 1 and 2 for formats). One EFT payment must be made for 1/5 of the sum of the bids for **all** blocks for which you submitted a bid. Your EFT payment must be received and deposited in the appropriate United States Treasury account before you submit your bid(s). Bidders are reminded that the bid submission deadline is generally 10:00 a.m. Central Time the day before bid reading.

Once the bids are opened and read, the MMS will determine your 1/5 bonus liability. Should your 1/5 bonus liability be less than your

Advanced EFT payment (i.e., you were not the high bidder on all bids that you submitted), the MMS will refund the difference (your Advanced EFT payment minus your 1/5 bonus liability) without interest to you as soon as practicable (generally before 5:00 p.m. Mountain Standard Time the day of bid reading. That refund (when applicable) will be transmitted using EFT according to the payment information provided by you at the time of bid submission on the bidder address form.
