Minerals Management Service
3801 Centerpoint Dr., Suite 500
Anchorage, AK 99503

Supplemental Information
Development and Production Plan Approval Condition #4
Liberty Development

Dear Mr. Walker:

On June 12, 2009, Mr. Randy Howell requested a copy of the course material referenced in BP Exploration (Alaska) Inc. (BPXA) letter to you dated February 26, 2009. Enclosed, please find the course material for the two courses referenced in the letter:

- NSTC Unescorted Training Program Environmental Excellence (HSEHAS049); and
- BPXA Environmental Management System (EMS) and Compliance Training Video DVD (HSEENV001).

BPXA is submitting this course content to satisfy the Minerals Management Service (MMS) Condition 4 of the Liberty Development and Production Plan (DPP) approved on January 3, 2008. Condition 4 states the following:

Condition 4 – BPXA must provide to this office for approval a copy of the final environmental training program(s) that is developed for the Liberty project to comply with OCS Lease Sale 144 Lease Stipulation 2.

If you have any questions concerning this submittal or require additional information, please contact me at (907) 564-4325.

Sincerely,

Martin Johnson
Liberty HSE Team Leader
